

# GELRUST

## GEL RUST REMOVER

**CHARACTERISTICS:** Gel rust remover specifically developed to remove rust stains from surfaces in marble, stone and granite.

Thanks to its gel formulation it is easy to be used on vertical surfaces.

**HOW TO USE:** Evenly apply the product on the spot to remove and let it act for 10 minutes approx. Then, rinse very well with clean water.

During the reaction the product will become violet. If necessary, repeat the operation.

The product doesn't damage polished surfaces, although a test before application is suggested.

PRODUCT READY TO USE
